As your characters fight the evil minds of the dark sects and those who have followed them across the vast lands, they will be subjected to the power of the almighty goddess, destiny, and the mysterious forces that envelop the Lands Between.

The Lands Between are divided into three areas: 13 Altar Lands (for parts of the Lands Between), 6 Trial Lands (for parts of the Lands Between), and the Lands Between (for parts of the Lands Between). While you can seamlessly move freely between these lands, you will gradually gain in power and ability as you let go of your past.

» Gamezebo “ELDREN RING is a game that draws many comparisons to the likes of FATE, but it’s more akin to a fantasy version of Brave Frontier. You play as an Elden Lord in a VRMMORPG with missions and a story. At the same time, it doesn’t just feel like you’re playing a MMO. Instead, you actually have a story.” » Plaything “ELDREN RING offers players an intense action RPG game where you can attack monsters in missions and participate in

I have many followers on this subreddit and I was looking around for cool settings I can use for my next PVP run. And I decided upon the Whisper Grove. Why is the Whisper Grove so cool? 1) The atmosphere is great, it's got a gloomy forest with a tall waterfall in the middle. 2) It's a solid PvP area for people to test out the new Trial Tree. 3) The bosses there are pretty fun and you can run around and run into other players. I've run into them so many times and the great thing about the Whisper Grove is that they're all different. So here's my proposal: I am going to ask you guys to make videos of your best/worst games and put them on

YouTube and upload them to Whisper Grove so I can have a variety of different people and play styles there.

The Video Creation Process: 1) Players fill out the form and say something nice about their video. 2) Video gets put on YouTube 3) Player enters a URL of the video on Reddit (so I can look at it later) 4) Linked Video gets put up on the Whisper Grove. 5) Player goes to Whisper Grove and creates a new Whisper Grove post about their best/worst game and uploads the link. If you want to join in and help make the videos and have fun, you can contact me on Discord: This is a big project and will take some time, but will be a fun experience. Anyone interested? I am considering running a HoD style PVP

event for the PVP Season 3 Championship, but I am starting with a trial run. The Trial Run is this weekend, from August 2nd at 9:00 AM ET / 6:00 AM BST to August 4th at 5:00 PM ET / 2:00 PM BST. The trial run will consist of a few different rules and will not affect the Season 3 Championship's ending date. 1. Participants will have their accounts split into 3 classes: standard / adv, magmash / adv, magmash / elite. This helps us test balancing changes to some of the bosses and not other classes. 2. Do not join in the main Matchmaking system but run an instance of World of Warcraft outside of the main server to play with friends.
